

Eleventh Episcopal District Lay Organization

Director of Lay Activities Digest

From the Heart of the Director of Lay Activities...

Greetings,

I am pleased to share the upcoming **DOLA Digest** during the Jubilee Celebration of the **Eleventh Episcopal District Lay Organization**. I count it all joy to serve as your Eleventh Episcopal District Director of Lay Activities. I pray I have served well and say thanks from the bottom of my heart for the confidence you have placed in me. I am forever grateful.

I am reminded of lyrics from a song that says “time waits for no one” and all I can say is, it certainly does not. **It has been 75 Years: Tell me, “where do we stand?”**
