

EEOLO YOU KNOW

I would like to personally invite you to participate in the Eleventh Episcopal District Lay Organization's Scholarship Project. For several years we have presented scholarships to students throughout our Episcopal District. We will continue doing that but want to increase the amount and/or number of scholarships that we have been able to present. To that end, we share this project with you in hopes that you will support our efforts.

We are creating a book of ads... this is not unique, correct? But our book will celebrate our collegiate journey. We are creating a book of college ads titled, 'The Sweeter The Knowledge.' Each ad will be a full page and is \$100.00. The ads and funds were due **by October 15, 2017.**

We invite organizations, alumni associations, friends, members and EVERYONE who has ever loved a college, ever been to college, ever sent someone to college or supported someone who is in college, ever heard of a college or who knows someone in college, to participate in this fund raising effort.

SIMPLY... Decide your college of choice and submit an ad. Show your school spirit and give a shout out for days gone by and still remembered or days yet to come. The ad can be camera ready or we can prepare it for you. Contact your District Lay President to submit your ad or you may send the information directly to:

Loretta Coppock at jolorcop@bellsouth.net **AND**
Angela Surcey Garner at cloudyweather@hotmail.com

We have two email addresses (send to both) as a back-up process.

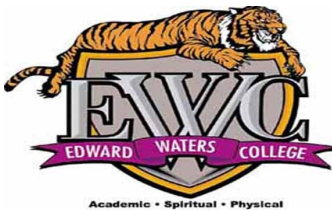

In the subject space type: **Scholarship Ad.**

PLEASE SEND FUNDS to Priscilla Salter at 953 Crawfordville Trace, Tallahassee, FL 32305.

Frequently Asked Questions (FAQs)

Q: HOW MUCH ARE ADS?

A. Full page ads are \$100.00. All Ads are full pages.

Q: IS THERE A DIFFERENT PRICE FOR COLOR OR BLACK & WHITE?

A. NO. All ads are \$100.00.

Q: HOW MANY COLLEGES CAN BE ON ONE PAGE AD?

A. If one person has attended more than one college that may be reflected on the ad from ONE person. **MORE than one person using more than one college circumvents our purpose and we discourage it.**

Q: HOW MANY PEOPLE / SCHOOLS CAN BE ON ONE AD?

A. Several persons who attended the same college can pool their funds to support an ad for that one college. This is several people for ONE College, NOT several people with several colleges. This circumvents our purpose.

Q: WILL THERE BE A BOOK PRINTED?

A. YES, there will be a book printed.

Q: WILL EVERY PERSON GET A BOOK?

A. NO. There will be ONE book distributed per each ad.

Q: WON'T PRINTING BOOK CUT INTO PROFITS?

A. YES, we will use some funds to produce the book. Outside of this expense, all money generated is money we did not have before, and therefore a blessing.
